Permit to Register for a Course on a "Satisfactory - Unsatisfactory Grade" Basis

Revised 9/23/2015

Policy Statement:

The purpose of registering for courses on a "Satisfactory-Unsatisfactory Grade" basis is to encourage liberal education and to discourage thinking of the end-product of courses as being a grade.

- 1. The courses elected on this basis will count toward the minimum semester credit hours required for graduation and upper division distribution but will not be included in grade point average.
2. Registration on an S-U basis is limited to one course per semester and to a maximum total of 18 semester hours.
3. Except for students in their first term at FSU, at least a 2.5 grade point average is required.
4. The courses may not be in the student's major or minor field.
5. The course grade will be recorded officially as satisfactory (S) or unsatisfactory (U).

Instructions:

- 1. Print form
2. Obtain approval from Academic Dean
3. Forms must be submitted to the Registrar prior to the 7th week deadline
