

# CROWD MANAGER TRAINING

*The Florida Fire Prevention Code requires that all places of assembly must have at least 1 crowd manager or crowd manager supervisor. Where occupant loads exceed 250, additional crowd managers/supervisors may be required at the ratio of 1 crowd manager/supervisor for every 250 occupants (NFPA 101, Section 12.7.6). The Fire Marshal's Office will be issuing a violation to assembly occupancies without trained crowd managers.*
