Option #1 – Student & Instructor Resolution:

I hereby accept responsibility for violating Florida State University's Academic Honor Policy, and I accept the instructor's proposed sanction(s). I understand that I may not drop the course, withdrawal from the course, or change the letter-grading basis of this course.

Option #2 – Disputing the Sanction:

I hereby accept responsibility for violating Florida State University's Academic Honor Policy. I do not, however, agree with the proposed sanction(s) and hereby request a review of said sanction(s). I have emailed my statement and all supporting documentation to FDA-AcademicIntegrity@fsu.edu to explain why I believe the proposed sanction(s) is disproportionate to the offense. I understand that I may not drop the course, withdrawal from the course, or change the letter-grading basis of this course.

Option #3 – Academic Honor Policy Hearing:

I hereby deny responsibility for violating Florida State University's Academic Honor Policy, and I do not believe that I should be subject to any sanction(s). I hereby request a hearing to self-advocate for my perspective that no academic misconduct occurred. I understand that I may not drop the course, withdrawal from the course, or change the letter-grading basis of this course—unless I am found “not responsible” for the allegations per the votes of the hearing panelists.
