

Florida State University Panama City presents

FINANCIALLY SAVVY WOMEN

2024

Monday, February 26, 5:30pm to 7:30pm
St. Joe Community Foundation Lecture Hall

Our panel of successful female financial professionals will discuss:

- The financial issues that are most important to women
- The ways women approach their personal finances differently
- How female financial professionals help other women become financially savvy

A light meal will be provided

Program Facilitator:

Diana Simpson, PhD, MBA, CFP®
