

Name: _____

Agency: _____

1. Describe in detail the work you have been performing since your last report. Include any meetings attended, people you have met or are working with that have had a significant impact on you.
2. What professional organizations (such as FRPA, NRPA, RCRA, ISES, etc.) do staff at your agency belong to? What encouragements are offered by the agency for staff to participate in meetings and educational programs offered by those organizations?
3. What aspects of your agency do you wish you had more involvement with? What have you done to help yourself accomplish this?
4. Post a picture of something that you have done so far in your internship for your classmates to see.
5. Please read and respond to at least two other student's posts in order to receive full credit.

*This report will be completed on the Canvas Discussion section, so students can share their experiences with their classmates.
