MEMORANDUM

Date: _____

To: Panama City Campus Registrar's Office – Graduation

From: FSU Panama City Advisor _____

Subject: Graduation "Summer/Early Walker" Approval"

Student _____

Student (Full Name)

Student EMPL ID #

Check your degree level: _____ BA _____ BS _____ MA _____ MS _____ Doctoral

Major: _____ Minor: _____

Student must either visit the FSU Panama City Advising office located in C117 Holley, contact them at advising@pc.fsu.edu or call (850) 770-2288. An advisor will work with your academic dean's office to determine your eligibility to participate EARLY in the commencement ceremony.

I understand that if this Early Walker request is approved, I will be allowed to participate in this semester's commencement ceremony. Early WALKERS are not eligible to be recognized during the commencement ceremony as having earned a **Degree of Distinction** (ex. cum laude, magna cum laude, summa cum laude) for the Spring _____ commencement ceremony, as that honor is reserved for graduating students only. Participation as an Early Walker does not equate to graduating, as that is separate clearance process that requires completion of all degree requirements and a separate application submitted during the student's final semester graduation application window. Ultimately, if a student is eligible for a degree of distinction upon graduating, that distinction will be automatically reflected on the student's official transcript.
