From OLLI Executive Director Debra Herman

Summer is here and so is registration for our next term beginning on April 17. Again, we have in-person classes as well as Zoom classes. Summer seems to be the time for travel too. In fact, members will be traveling to France for the Study Abroad in May between classes, and others are headed for Nova Scotia with OLLI in August.

Do you like to visit other countries and cultures as well? If so, I encourage you to keep in mind the upcoming trips we have planned for 2025. In May we will travel to Morocco (May 15-29) and another trip is scheduled to Scandinavia in August. Then in May of 2026, we are planning the Kenya/Tanzania safari. Another destination will be added as well that year. If travel is something you are interested in, register for the Travel Club and get on their email list for information. You don't need to be a member to be enrolled in this club, but we ask that you become a member during the term you travel with us.

In April, we start a new cycle of executive volunteers moving up in our Advisory Council. Jan Smith is our incoming president, Debbie Justice-Obley becomes 1st VP, and, well, we don't know who is being voted into our coveted 2nd VP spot just yet! We'll know soon! I want to give a huge thank you to Bruce Bechard who is stepping into the Immediate Past President position. Bruce, we appreciate your time and service this past year.

OLLI can't thank our volunteers, in all positions, enough for all that they do all year long. THANK YOU TO ALL OUR AMAZING VOLUNTEERS! This is why we at OLLI at FSU are among the very best OLLIs in the country!

Hope to see you soon.

Contact information for OLLI staff, advisory councils and committee chairs for both Tallahassee and PC30A are listed online at olli.fsu.edu.
