FACULTY/STAFF/AUDIENCE INTRODUCTIONS AND ANNOUNCEMENTS:

Dr. Clark: I want all of you to join me in giving Tiesha a big round of applause. Tiesha thank you for your dedicated service to SGC and FSU Panama City and we wish you the absolute best. Effective tomorrow morning Kinsley Faulkenberry has agreed to serve as interim. We will have a teleconference tomorrow with Mark Gellar from High Impact Training. It is a good opportunity, this program trains student government councils and student leaders. The teleconference is a listening and learning session and you can make your informed decision from there.

F & A (Dan Nix): The concrete deck will be installed the 2nd week of August. The green space for the sod had to be adjusted because we expanded the dirt we brought in and by the next council meeting the sod should be installed. We have installed an additional two lights at the basketball court and the water fountain is in and I believe the basketball court is finished. Mr. Mister (outdoor misting system) is in, but we need the concrete pad which will come with the concrete deck before we can install.

Tiesha Alston: Thank you for trusting me to be able to lead in this role for the past 8 months. It has been a joy and a true pleasure. Promise to continue to strive to be the best person you can be, take your studies seriously, use your resources, network and enjoy it. You guys are everything and more and you can be whatever you please as long as you know you have potential.

OFFICERS' REPORTS:

President Powell: Great job at Summer Bash and Trivia Night. Everyone did great working together. Volleyball was amazingly successful, I can't believe how many people we had out there. Trivia, I was truly blown away by how many people attended. Angela, that power point you did and how organized it was

truly great job. Savanna everything that you did with Summer Bash, it was perfect. Ms. Kathleen Duvall, our counselor, will be moving into the (3rd floor, Barron Building) back office effective August 1st. Since Kinsley is going to be here in the interim please copy her in all email correspondence. We will have our team building training next Thursday and at our next meeting we will have additional information on the training with Mark Gellar. Thank you to Tiesha, we are going to miss you and I know you are going to “rock it” at everything you do in life.

Pro Tempore Bradley: Thank you all for working so hard. Summer Bash and Trivia went exceptionally well and I think they were two of the best events we have had in a long time. There was a lot of student participation at both events. Thank you for getting your chair reports to me in a super timely manner. I appreciate that from all of you. I have been working with various club presidents and representatives in order to streamline the process to become and maintain being a registered student organization. Thank you Tiesha for all that you have done; it has been really great working with you.

Senator Kirke: No new updates from Tallahassee. We will be going up next week leaving Wednesday @ 3:00 PM and will return at approx. 11:30 PM. If you are interested in going and are not on the list, please get with me and I will work things out with you. Tiesha, I appreciate all that you have done and wish you the best in the future
