FACULTY/STAFF/AUDIENCE INTRODUCTIONS AND ANNOUNCEMENTS:

Finance & Administration: No report.

Kayleigh Cosson, Student Engagement Coordinator: Thank you for entering your time in OMNI everyone did awesome. Just a reminder to please sign your paper timecards at the bottom. The carpets have been cleaned in the SGC Offices and carpet squares that couldn't be cleaned will be replaced. The Conference Room chairs are scheduled to be cleaned tomorrow. The computers are running, but you still cannot print (to the Bizhub) from them and IT is working on it. It was requested that I give you an update on what I am working on with Student Affairs and we are currently working on an LGBTQ+ event and an FTIC event. I'm helping with homecoming, pretty much whatever Brittany throws at me, and I'm doing so happily.

OFFICERS' REPORTS:

President Bradley: Tomorrow there is a SABA Meeting @ 2:00 PM so try to make it if you can. Not just SGC, but students are also welcome to attend. One of things we are going to talk about tomorrow is Admissions wants to work with SABA to form stronger bonds between the two campuses, which is one of the main points of the alliance. Sam and I have a meeting with the Census Bureau in one week to make a PSA about why it is important to fill out the Census and hopefully all of us can make a video not just SGC but students in general. President Thrasher mentioned the Career Center in this speech the other night. He said that he has read it and they are working on it and hopes that it is phenomenal over here. We have a trip to Tally on Sunday so make sure you are there. If you can't make it let Melissa and I know. The SGC meeting 2 weeks from today has been canceled due to homecoming week.

President Pro Tempore Lamb: It was a huge deal that President Thrasher mentioned the Career Center. In my initial speech draft that was sent to them the Career Center was not in it so that means that

he did not plan on it he just decided to talk about it which is a big deal and that is why I sent you an email asking you to please write a letter thanking Dr. Thrasher for mentioning the Career Center and that we look forward to working with him on it. It means so much, the more the merrier, it will do a lot more if we have a lot of letters going to him. I'm still in meetings with Dan (Nix) on the covered walkways and will probably bring something to you at the next meeting. We have a lot to hammer out with it to make it at a place where we can bring it to council. The Bylaw meeting will be next week on Wednesday @ 7:00 PM in the SGC Conference Room. Please attend if you like it is a little insight into the background and everything that we do.

I. Old Gym Discussion:

Rep. Schweinsberg updated council on the outcome of the recent gym survey. A discussion followed on the top results.

For the Good of the Order:

Pro Temp Lamb – Everybody turned in their meeting minutes, thank you, I appreciate it! If you want to see them once again they are always in (the notebook) on my bookshelf. Please read them it is important that you know what everybody is doing.

Rep. Baumgardner – I approved a ballot from Tallahassee and Ms. Allison has been an extreme help on this. I need people who are not running to please sign-up. I will set-up early Monday morning and will tear down on Wednesday.

Rep. Conn – I will have the stubs ready next week to give out for football tickets. We are making homecoming buttons on Thursday @ 5:00 PM.

Rep. Greer – The shirts should be ordered soon. Hopefully everybody has sent Sam or myself their size according to the chart. If not, please get that in quickly.

Rep. O'Donnell – November 23rd will be the next service event. The SSSW will be doing a hygiene drive and will be asking students on campus to donate various travel size items to build hygiene kits and they have asked SGC to assist with advertising and making flyers and requesting donations from local businesses. It was discussed at the committee meeting to go Christmas Caroling at a Senior Citizen Home which will be after the semester ends.

Rep. Rodriguez – I will be having another Programming meeting on Monday please attend if possible. We will be continuing to discuss the Halloween Movie Night which will be on Halloween. I'm also going out sometime next week to get donations for Bingo Night so if you are interested in coming please let me know.

Rep. Schweinsberg – I sent an email yesterday for the ways that the Wellness committee will be handling giving out football tickets over the next two weeks. For the most part I should be able to handle on my own, however if anyone is interested in coming out and assisting in these initiatives, please do. On Thursday, October 17th @ 7:30 PM the same time the Gaming Club is holding their meeting we will have a Ping Pong and Pool Championship. On Monday October 21st @ 2:00 PM in the Barron Commons we will have Coin Flip Championship and a Water Pong Championship sponsored by Rep. Rodriguez. Wednesday, October 23rd @ 6:00 PM in the GCSC gym we will be having more giveaways.

The deadline will be October 13th and I am working with the DDS on making the awards.
