Are any of you familiar with the federal trio programs? What talent search does is give people from a disadvantaged background an opportunity to go to college. Us getting this grant if for bay county, RHS, BHS, Holmes

HS, Franklin HS, and sharing it with Leon County but Tallahassee with handle that. David Henry is out PI. This is huge. Gives up an opportunity to grow our footprint. Intramurals: 63 students showed up! Intramurals interested in starting a weightlifting club. Cross-Country Team. I'm asking someone to give us a bass fishing boat. Students have interest in a bass fishing team, soccer basketball, flag football. Mason talked with Sheraton and Holiday Golf to get students to play golf. Marc McQueen is a great ambassador for this campus. These athletic fields across from Camping World: the goal is for our students to have access to the fields. I need your ideas! You give us your ideas and well try to make it work. You give us an opportunity to work on it. You all can help us by surveying students. We want you to be involved. With that I will close my report. Are there any questions?

**Finance & Administration:** Lt. Steve Sellers from the Police Report: We didn't have anything to report, just filling in.

**Allison Moon:** N/A

**Kayleigh Cosson:** Allison is on vacation; she won't be back until the 18<sup>th</sup>. Rob left, leaves just me in the office. I'm recruiting Sarah Schreck to help. If you need something that's going to need a PO like a service or over a certain amount, send it with several weeks' notice.

## OFFICERS' REPORTS:

**President Garner:** Welcome, thank you to everybody that's here. Quick shoutout to Comm club. Everyone in SGC should be aware they are currently selling their candygrams. Most commonly they've been in the Holley Rotunda and Seminole Landing. They have their murder mystery dinner coming up. That is going to be a very big event. Second thing: quick shoutout for the SHS here Mon & Thurs 1-4. Big Blue bus. In 2 weeks they'll be doing free flu shots. They're also doing Covid vaccines. They're just great for any kind of general feeling sick. They do take walk-ins. They're great and it's a good resource that I got to work on with Dr. Clark and a few individuals. Garnet and Go: That is the free transportation on the Bay Town Trolley, something that Student Government invested money in. We want to take a trip on it as a group, too. Seminole Hall: we got the painting done this week. The space is great, and the rest of the furniture was delivered, and that space is almost complete – it was about 2 years of work.

**Pro-Tempore Tice:** I just wanted to mention that to our representatives and anyone else that's helping us with homecoming to stay in communication. To get the last things up, your officers are always able to help. So continue that communication. If you need anything you can reach out to Lilli or me. Those here for the application or in the audience, you do not necessarily have to be a representative to make an impact on the campus.

**For the Good of the Order**

**Raemi Creteur:** I yield my time.

**Jaliyah Edwards:** Publicity meeting tomorrow 6:30 DDS.

**Zenovia Goss:** Ordered the awards yesterday. Lady said she would call me today. Hopefully shell call me tomorrow. The awards will be in during homecoming week, I did not put a name on those as we don't know who's going to win. If there's a 2-week delay, we can wait or just contact the students if they want and hand them out at a later date.

**Evan Fouquet:** Congratulate to our new and first treasure

**Ethan Lewis:** Student vs. Faculty signups: the best event was Bob Ross Paint along with 20 people, Mario kart deluxe with 12 people, so anyways I'm expecting like 50 to 75 attendees for Bob Ross because we had so many already and ill be spending a lot of money on this event. How has progress been getting food for any club meetings and committee meetings?

**Cayla Walker:** Purchasing items this weekend for Raemi and Ethan for their events. I'm going to be sorting out all of their budgets. Everyone who's purchasing things this week, please please keep me in the loop. We made the forms for the bus ride, homecoming tickets, whatever. QR code will be sent to Jaliyah, Lilli, Kayleigh so we can send out the information. Other than that, I'm excited to be treasurer! We're working with Dan and Tyler on a checkout system for all of the equipment.

**Makaila Wilson:** The sand is down for the volleyball tournament, and we are figuring out the net for the tournament. The company doesn't think they can so I'm reaching out to another company or seeing if we can hurry them up.

**ADJOURNMENT: Pro Tempore Tice moved for the meeting to adjourn at 12:30 AM. Motion was seconded.**
